RESOLUTION NO. _____

RESOLUTION URGING THE FLORIDA LEGISLATURE TO ENACT LEGISLATION THAT CLARIFIES LIABILITY AND INDEMNIFICATION SO AS TO FACILITATE TRI-RAIL SERVICE INTO DOWNTOWN MIAMI; FURTHER URGING THE FLORIDA LEGISLATURE AND THE FLORIDA DEPARTMENT OF TRANSPORTATION (FDOT) TO FUND, THROUGH THE FDOT FIVE-YEAR WORK PROGRAM OR OTHERWISE, THE DOWNTOWN MIAMI LINK AND THE COASTAL LINK PROJECTS; PRELIMINARILY IDENTIFYING THIS ITEM AS A CRITICAL COUNTY PRIORITY FOR THE 2017 LEGISLATIVE SESSION

WHEREAS, as part of the development of the Miami Central Station, a privately funded multi-modal transportation hub, the construction of two additional platforms will allow for the immediate connection of the current Tri-Rail service operated by the South Florida Regional Transportation Authority (SFRTA) to Downtown Miami (“the Downtown Miami Link”), as well as provide the facilities needed to support the planned Coastal Link that will ultimately take Tri-Rail service north along the Florida East Coast (FEC) railway corridor to Jupiter, Florida; and

WHEREAS, the Downtown Miami Link and the Coastal Link are expected to provide greater public transportation options for residents who commute between Downtown Miami, the northeast areas of the County, and Broward and Palm Beach counties; and

WHEREAS, the service, which is expected to increase Tri-Rail ridership, is significant because it will provide the first commuter rail link to Downtown Miami from Palm Beach and Broward counties; and

WHEREAS, SFRTA has been collaborating with Florida East Coast Industries, which is building the Miami Central Station for the All Aboard Florida inter-city rail service from Miami to Orlando, in order to make the Downtown Miami Link a reality; and

WHEREAS, SFRTA is required to fund the construction cost of the additional platforms and a prorated portion of the infrastructure to be shared between SFRTA and All Aboard Florida at the Miami Central Station; and

WHEREAS, SFRTA has coordinated with a variety of partners, and has secured formal funding commitments with various public agencies, including but not limited to Miami-Dade County, the City of Miami, the Southeast Overtown Park West Community Redevelopment Agency, the OMNI Community Redevelopment Agency, and the Downtown Development Authority, to fund the construction costs of the additional platforms; and

WHEREAS, the State of Florida was expected to, but has not, contributed funds for the track improvements needed to connect Tri-Rail's current service to Downtown Miami; and

WHEREAS, during the 2016 Florida Legislature's session, a provision was amended into House Bill 7061 ("HB 7061"), an omnibus transportation bill by Representative David Santiago (R- Deltona) and Robert "Bob" Cortes (R- Maitland), that would have clarified liability and indemnification obligations with respect to railway shared by inter-city public and private trains; and

WHEREAS, such provision would have facilitated Tri-Rail operating on FEC tracks into the Miami Central Station; and

WHEREAS, this liability and indemnification provision eventually passed the House, but was amended out of HB 7061 in the Senate; and

WHEREAS, the Governor eventually signed HB 7061 into law, Chapter 2016-239, Laws of Florida, without the liability and indemnification provision; and

WHEREAS, clarification of liability and indemnification is a critical component of the completion of the Downtown Miami Link and the future construction of the Coastal Link because Tri-Rail will need to run on the privately owned FEC railway; and

WHEREAS, the Florida Legislature will have another opportunity during the 2017 session to enact legislation that clarifies liability and indemnification and facilitates Tri-Rail service into Downtown Miami; and

WHEREAS, this Board wishes to urge the Florida Legislature to enact legislation that that clarifies liability and indemnification so as to facilitate Tri-Rail service into Downtown Miami, as well as provide funding support for the Downtown Miami Link and Coastal Link projects; and

WHEREAS, this Board wishes to preliminarily identify this item as a critical County priority for the 2017 state legislative session,
